INTERNATIONAL TRADE COMMISSION

Investigation Nos. 731-TA-1186-1187 (Final)

CERTAIN STILBENIC OPTICAL BRIGHTENING AGENTS FROM CHINA AND TAIWAN

Scheduling of the final phase of antidumping investigations.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping investigation Nos. 731-TA-1186-1187 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. § 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from China and Taiwan of certain stilbenic optical brightening agents (“CSOBAs”), provided for in subheading 3204.20.80 of the Harmonized Tariff Schedule of the United States, but they may also enter under subheadings 2933.69.6050, 2921.59.40, and 2921.59.8090.¹

For further information concerning the conduct of this phase of the investigation, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

¹ For purposes of these investigations, the Department of Commerce has defined the subject merchandise as “all forms (whether free acid or salt) of compounds known as triazinylaminostilbenes (i.e., all derivatives of 4,4’-bis[1,3,5-triazin-2-yl]amino-2,2’-stilbenedisulfonic acid), except for compounds listed in the following paragraph. The certain stilbenic OBAs covered by these investigations include final stilbenic OBA products, as well as intermediate products that are themselves triazinylaminostilbenes produced during the synthesis of final stilbenic OBA products.

The compounds **excluded** from these investigations are all forms of 4,4’-bis[4-anilino-6-morpholino-1,3,5-triazin-2-yl]amino-2,2’-stilbenedisulfonic acid, C₄₀H₄₀N₁₂O₈S₂ (“Fluorescent Brightener 71”). These investigations cover the above-described compounds in any state (including but not limited to powder, slurry, or solution), of any concentrations of active certain stilbenic OBA ingredient, as well as any compositions regardless of additives (i.e., mixtures or blends, whether of certain stilbenic OBAs with each other, or of certain stilbenic OBAs with additives that are not certain stilbenic OBAs) and in any type of packaging.”

EFFECTIVE DATE: November 3, 2011.

SUPPLEMENTARY INFORMATION:

Background.--The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that imports of CSOBAs from China and Taiwan are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). These investigations were requested in a petition filed on March 31, 2011 by Clariant Corp., Charlotte, NC.

Participation in the investigation and public service list.--Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.--Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.--The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on March 1, 2012, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

Hearing.--The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on March 15, 2012. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before March 7, 2012. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on March 9, 2012, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 business days prior to the date of the hearing.

Written submissions.--Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is March 8, 2012. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is March 22, 2012; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before March 22, 2012. On April 12, 2012, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before April 16, 2012, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please consult the Commission's rules, as amended, 76 Fed. Reg. 61937 (Oct. 6, 2011) and the Commission's Handbook on Filing Procedures, 76 Fed. Reg. 62092 (Oct. 6, 2011), available on the Commission's web site at <http://edis.usitc.gov>.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

AUTHORITY: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

James R. Holbein
Secretary to the Commission
